**BOWEL COMPLAINTS CURED.**—Jayne's Carnative Balsam is a certain, safe, and effectual remedy for dysentery, diarrhoea, or looseness, cholera morbus, summer complaint, colic, griping pains, sour stomach, flatulency, &c. &c. and all spasmodic and nervous diseases, as sick and nervous headache, hysteria, cramp, &c. &c.

From Dr. M. L. Knapp, late physician to the Baltimore Dispensary, and agent for the Maryland Vaccine Institution, Baltimore, March 27, 1893.

DR. JAYNE: Dear Sir: You ask me what proofs I meet with of the efficacy of your medicine. I can safely say that I never prescribed a medicine for bowel complaints that has given me so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the summer complaints of children, which have frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such a child," I have repeatedly heard said. In dysenteric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it.

Respectfully,  
M. L. KNAPP, M. D.

From Dr. Wm. Steeling, Physician to the Cumberland, N. J. Almshouse.

BRIDGEPORT, JULY 19, 1893.

This may certify that I have used Dr. Jayne's Carnative Balsam very extensively in bowel complaints, and have not the least hesitation in declaring it superior to any preparation that I have met with for the relief of those diseases.

WILLIAM STEELING, M. D.

From Johnathan Going, D. D. late of New York, President of Granville College, Ohio.

NEW YORK, MAY 20, 1897.

DR. D. JAYNE: DEAR SIR: Having made use of your Carnative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the Public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

JONATHAN GOING.

From the Rev. H. K. Greene, Professor in the German-town Collegiate Institute.

GERMANTOWN, APRIL 30, 1893.

DR. JAYNE: My Dear Sir: It gives me pleasure to communicate in this manner, my favorable opinion of your Carnative Balsam. For two years it has been in almost constant use in my family. It was thus introduced: A child of five years old had been sick some five or six days with the dysentery. Calomel and other medicines had been largely administered, but without the least apparent benefit. The peculiar discharges from the bowels were unchanged in both character and frequency; the strength of the little patient could not hold out much longer. At this juncture, I was reminded by a friend of your Balsam. After a portion of castor oil, it was administered several times through the night. In the morning, the physician found the discharges essentially changed; the disease was checked, nay, removed; all other medicines were discontinued, and the child was soon restored to usual health. We have ever since kept this invaluable medicine on hand, and for both adults and children have found it uniformly efficacious. We readily pronounce it the best adapted to family use of all the preparations with which we are acquainted. Hoping that the public will soon become universally acquainted with this medicine,

I remain yours,  
H. K. GREENE.

It may be had wholesale and retail at TODD'S Drug Store, August 8.

CAUTION.

WE are called on to caution the public, the Druggists in particular, against purchasing from any traveler under whatever pretenses they may be offered, any of DR. EVANS' INVALUABLE MEDICINES, as their unprecedented success in the cure of Consumption, Dyspepsia, Liver Complaint, Indigestion, Costiveness, Loss of Appetite, Palpitation of the Heart, Pain in the Head, Breast, Back and Limbs, Dizziness, Restlessness, and all diseases originating in the Stomach, Heart, Lungs, Liver, and the associated organs, &c., has caused a reckless impostor, who it is ascertained, has been traveling through Pennsylvania, Maryland, Virginia, &c., to counterfeit and vend a deleterious imitation of EVANS' CAMOMILE AND APERIENT PILLS; and another impostor has introduced into Pennsylvania, &c., a spurious article, purporting to be PARIS' SOOTHING SYRUP, for children when cutting their teeth—both of which are deleterious counterfeits. Therefore, in order to protect the public against the inroads of such impostors, and to secure them the benefit which his Genuine Medicines never fail in bestowing, he has caused the label of EVANS' CAMOMILE & PILLS, "to be entered according to an act of Congress."

A notice of each entry is printed on the labels on every bottle of the Genuine Pills, and he has caused the name of Dr. J. L. Paris to be stricken out of the label of his celebrated Soothing Syrup, for children when cutting their teeth, so that the label of the genuine syrup reads "DR. Wm. EVANS' SOOTHING SYRUP," an infallible remedy for the pain and sickness to which children are subject when cutting teeth, tested and approved by thousands of mothers and nurses, who have by its early application, not only prevented their children from suffering excruciating pain but in many instances rescued them from death.

Be particular in examining the labels, and also in knowing that Dr. Evans never vends any of his medicines save through the medium of his resident agents, as advertised throughout the Union, or at the Western Office, Louisville, Ky., and his principal office 109 Chatham Street, New York, where wholesale orders will be promptly executed on the most liberal terms.

The public may rest assured that in every instance that comes within the knowledge of Dr. Evans, or any of his agents, where the Counterfeit Medicines are purchased or vended, he will give them the earliest public notice of the imposture. Already have proceedings both civil and criminal been instituted against several Druggists who have been detected, and their names will be laid before the public at an early date. THE BEST PROTECTION he can offer for the present is, to caution purchasers to obtain his Medicines from the AGENTS ONLY.

DR. GOODE'S CELEBRATED FEMALE PILLS.

These Pills are strongly recommended to the notice of the Ladies as a safe and efficient remedy in removing those complaints peculiar to their sex, from want of exercise, or general debility of the system, obstructions, and irregularity of the menses; at the same time strengthening, cleansing, and giving tone to the stomach and bowels, and producing a new and healthy action throughout the system generally. They create appetite, correct indigestion, remove giddiness and nervous headache, and are eminently useful in those complaints which distress females so much at the "turn of life." They obviate costiveness, and counteract all hysterical and nervous affections, likewise afford soothing and permanent relief in flux albus, and the most obstinate cases of chlorosis, or green sickness, they invariably restore the pallid and delicate female to health and vigor.

These pills have gained the sanction and approbation of the most eminent physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of conjugal happiness have been defeated, these pills may be truly esteemed a blissful boon.

They soon remove all functional debility, and if taken according to directions, obviate all morbid action.

DR. GOODE'S CELEBRATED FEMALE PILLS, are for all the following diseases: Suppression, irregularity or retention of the menses, flux albus, chlorosis or green sickness, costiveness, gravel, incontinence of urine, nervous affections, hysterics, prolapsus uteri, or falling of the womb, and piles; also, pains in the side, chest, limbs, head, stomach or back; dimness, or confusion of sight; alternate flushes of heat and chilliness; tremors; watchings; agitation; anxiety; bad dreams, and spasms. This medicine is acknowledged to be one of the most valuable ever discovered as a purifier of the blood and fluids; it is superior to sarsaparilla, whether as a sudorific or alternative.

**INTERESTING AND APPLICABLE TO THE AFFLICTED, WITH DISEASES OF THE STOMACH, LIVER, AND BOWELS.**—Such as Dyspepsia, or Green Sickness, under the worst symptoms of Restlessness; Lowness of Spirits and general emaciation; Consumption, whether of the Lungs or Liver; Liver Affections; Jaundice, both Bilious and Spasmodic; Costiveness; Worms, of every variety; Rheumatism, whether Acute or Chronic, together with Gout, Sciatica, Pains in the Head, Back, Limbs, and Side; Typhus Fever, Scarlet Fever, Putrid Sore Throat, Fever and Ague, Spasmodic Palpitation of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Douloureux, Gravel, Female Obstructions, Heartburn, Headache, Cough, the Common or Humid, and the Dry or the Whooping; Asthma, Gravel, and Drops.

The Blood has hitherto been considered by Empiricks and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fallacious opinion, without enquiring into the primary sources from whence Life, Health and Vigor emanate, and vice versa, an sickness, according to death. Not so with Dr. Hunt, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most useful members. He contends—and a moment's reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver, and associated organs are the primary and great regulators of health, and that the blood in very many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial and drug cure usually prescribed, serve but as foils to cover the ravages of deep-seated maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not pretend to ascribe to HUNT'S BOTANIC PILLS a supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to show, that when every other remedy has been given, HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their efficacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection in the healing art.
